Source A

In the last fifty days some Communist leaders have betrayed the ideas of Communism. They have adopted middle-class views and tried to prevent the growing cultural revolution of the working class. These leaders have become arrogant and are working against the wishes of the people. How poisonous! They tried to do this in 1962 and 1964 as well. The people of China must wake up to what they are doing.

From a written poster called 'Bombard the Headquarters', created by Mao Zedong in August 1966.

Source B

A photograph published by the official Chinese news agency showing thousands of Chinese people swimming in the Yangtze river in September 1967. The large slogan in the water is wishing Mao Zedong a '10 000 year life'.

- 5* 'Popular policies were the **main** reason the Communist Party was able to establish control over China in the 1950s.'

How far do you agree?
